

## Primary PE and Sport Premium Report for 2015/2016

The Primary PE and Sport Premium was launched by the government in April 2013 and is available for three years to July 2016. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision.

The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

In academic year 2015/2016, we received £8840 The details below show how we spent the Premium and what impact it had on our pupils.

<p>A Sports Playground Leader has worked on the KS2 playground offering planned lunchtime activities. 4 young leaders have been trained to assist dinner staff and training has also been given to the school ambassadors and playground buddies to work with the younger children.</p>	<p>Within TA costs</p>		<p>The young leaders show greater confidence and have increased communication and leadership skills.</p>
<p>Dinner staff attended a skipping workshop. Skipping Day – whole school participation.</p>	<p>£600</p>		<p>All pupils attended a skipping workshop and skipping ropes were offered at a subsidised rate</p>
<p>The <b>Wake Up Shake Up</b> programme has been purchased and has been introduced to the whole school.</p>	<p>£42</p>		<p>All children participate in an extra 5 – 10 minutes exercise per day and the Wake up shake up programme has had a positive effect on attitudes and behaviours.</p>

**As a result of the above, the impact on pupils' engagement and achievement in school as a whole**

**Attitudes:** engaging more pupils in inter-school and regular intra-school competition, and recognising a wider range of achievements in school assemblies and on the school noticeboard, has increased many pupils' motivation in school generally as they feel more valued and proud of their success. In a recent questionnaire, all pupils gave a positive response to PE and sport in school

**Behaviours:** Having a dedicated sports leader on the playground and training of lunchtime staff has led to improved behaviour at lunch times and consequently the children are more ready for learning in the afternoon. WUSU has had a positive effect on behaviour and attitudes throughout the school.
