None-Screen Activities	
Activity	Helpful tips
<u>Maths</u> Use dice or playing cards to create 3 digit numbers. Find 1, 10, 100 more and 1, 10, 100 less.	Write numbers in columns under each other like a list.
<u>English</u> Find 5 household items. Describe each one in 3 sentences and see if I can guess what the item is. You will write a total of 15 sentences.	Use descriptive words (adjectives), place in the house, position where it is found (preposition).
<u>Reading</u> Read 3 pages of a book, write what you have learned in those pages.	To help - think about events, prediction, relationships.
<u>Music</u> Make music. Clap a rhythm and then find a way to play it. How can you improve it?	With permission, you could use pans, cups, or beakers.
<u>PE</u> Think of routines made up of 5 different exercises to keep fit.	Write the routine down. Think how to improve each time.
