Complete the three tasks.	<a href="https://www.bbc.co.uk/bitesize/articles/zm9hscw">https://www.bbc.co.uk/bitesize/articles/zm9hscw</a>	Use your phonic knowledge and sound each word. Some days are tricky and are not the letter you would normally match with the sound.

This will challenge you to recognise different coins.	<a href="https://www.topmarks.co.uk/money/coins-game">https://www.topmarks.co.uk/money/coins-game</a>	We have not covered this in class. It might help if you have different coins in different of you to look at.
<b>Phonics</b> Play Dragon's Den and practice your blending.	<a href="https://new.phonicsplay.co.uk/resources/phase/2/dragons-den">https://new.phonicsplay.co.uk/resources/phase/2/dragons-den</a>	Use phase 3 keys words if not confident and phase 5 for more challenge.
<b>Reading</b> Choose an eBook to read. Once you have read the eBook can you write a book review. Who were the man characters? What happened in the story? Did you enjoy it?	<a href="https://www.oxfordowl.co.uk">https://www.oxfordowl.co.uk</a>	Remember to use your phonics to help you sound out unfamiliar words.
<b>Music</b> Use the BBC Play It resource to learn a new song.	<a href="https://www.bbc.co.uk/teach/bring-the-noise/eyfs-ks1-music-play-it-bring-the-noise/z4sq92p">https://www.bbc.co.uk/teach/bring-the-noise/eyfs-ks1-music-play-it-bring-the-noise/z4sq92p</a>	Try the different activities. <p><b><u>DT</u></b> Can you make a sandwich for your lunch? Think about what healthy fillings you could put in. How you are going to cut the fillings and spread the butter?</p>	<p>Remember to wash your hands before you start. Do this activity with a grown up helping you.</p>
<p><b><u>Art</u></b> Can you make a collage? Practice your cutting skills and cut out bits of coloured paper, old magazines or newspapers. Stick them over each other to create a colourful collage.</p> 	<p>Make sure you have help from an adult to cut.</p>
<p><b><u>Writing</u></b> Can you write about a happy memory you have? It could be something fun you did in school, when you had fun playing with a friend, somewhere exciting you have been. Challenge - can you use adjectives to give more detail?</p>	<p>Remember to plan your sentence, use capital letters, finger spaces, phonics and full stops.</p>
<p><b><u>PSHE</u></b> Can you make a poster all about you? Draw pictures and write all the things you like to do and what is special to you. The photo is an example of one but you can present it however you want.</p> 	<p>Think about all the things you like to do, what you are good at, what makes you special and who is important to you.</p>
<p><b><u>Maths</u></b> Can you practice counting up to 100? Say it in different voices e.g. talk like a robot, whisper it, shout it. Can you start from any number?</p>	<p>It might help if you write the numbers down first. This will help you recognise the numbers but also help if you lose track of what number comes next.</p>
