<b>Reading</b> Make sure that you are still reading at least 3 times per week. Once you have finished your book, create a book review to recommend to your classmates. Share it with me on Twitter and I will post it for everybody to see	Make sure that your review is details and specific. Why have you nominated that person to read the book next? What would they enjoy?
<b>PE</b> Stay fit and healthy and create your own obstacle course around your house for you and people in your house to enjoy.	Include a range of different movements.
<b>PSHE</b> Create a colourful poster and what it means to be a good friend. What does it look like? What characteristics does a good friend have? Have you got any examples of when you have been a good friend?	Make it as colourful as possible!
<b>Maths</b> Create your own multiplication table- it sounds easier than it is! Write in all of your multiplications up to 12 x 12.	Google 'multiplication grid' if you are unsure of what it looks like.
<b>English</b> Close your eyes. Imagine your favourite place in the world. Describe it using a range of adjectives, noun phrases and adverbs.	Think about how you feel when you are there. Why is it your favourite place. Who do you go there with? Why?
