Non-screen Activities	
Activity	Helpful tips
<ul style="list-style-type: none"> • Create a butterfly. Only use paint on one side of the paper and then fold in half. The children love watching the magic happening when they unfold the paper. • Talk about the life cycle of the butterfly. Draw some pictures for your child to order. • Instead of minibeast hunting, go on a sound hunt. Find objects that begin with the same letter sound. For example: b for banana and ball. • Draw some simple pictures from the story and help your child re-tell the story in their own words.
