

Keeping Busy at Home – Miss Sheard

Hello everyone!

Please see these activities that you can keep busy with this week. I would love to know how you get on so don't forget you can Tweet me @SheardMiss.

Online Activities		
Activity	Where to find it	Helpful tips
Maths Recapping and problem solving with doubling and halving.	https://classroom.thenational.academy/lessons/to-problem-solve-using-doubling-and-halving	You will need a pencil and paper to write down your answers. You may want to have some small objects handy, such as Lego bricks, to help you count.
English Using verbs Learn about using verbs or 'doing words' in your writing. Watch the video and complete the 3 short activities.	https://www.bbc.co.uk/bitesize/articles/z3y9vwx	You will need a pencil and paper.
Phonics Grapheme Games Can you play all 4 games and help the Monster find all of his letters?	https://www.teachyourmonstertoread.com/games/tm1/demo	Write down and say any graphemes you find tricky.
Geography What is an ocean? Complete another lesson with Miss Harris to find out.	https://classroom.thenational.academy/lessons/what-is-an-ocean	You will need paper, a pencil and a coloured pencil or crayon.
Music The SingUp website has lots of great learning songs. Choose a song to learn and practice singing along to the backing track.	https://www.singup.org/singupathome/songs-for-learning/4-7	

Non-Screen Activities	
Activity	Helpful tips
<p>Maths – One more one less Think of a number and then use the number line to find one more and one less. You can use numbers greater than 10 if you want a challenge.</p> 	<p>Remember when thinking of a number that is more, you count forwards. When thinking of a number that is less, count backwards.</p>
<p>Writing This week can you write a letter to a friend or relative to see how they are doing? Think about what interesting things you have done during lockdown and what you might tell them. You could also ask them what they have been up to. You could even post your letter and see if you get a reply!</p>	<p>Remember to use 'To' and 'From' at the beginning and end of your letter. Remember to put a ? at the end of question sentences.</p>
<p>Science Last week's online lesson was all about the 5 senses: <i>taste, smell, touch, sight and hearing</i>. This week can you put your senses to the test? Can you guess what an item is by closing your eyes and just using touch? Can you recognise different sounds? Can you recognise your favourite food with your sense of taste alone? Be creative and get experimenting!</p>	<p>Make sure you have an adult to help you.</p>
<p>PSHE/Wellbeing Think about something you succeeded at. Write or draw about it. How did it make you feel to succeed at something?</p>	<p>You will need a pencil, paper and some colours.</p>

Keeping Busy at Home – Miss Sheard

Reading – Finding 'u'

Read the text below. Find the 'u' sounds and underline them.

I like to go for a run,

I do it just for fun,

It is nice to run in the sun.

Last week I ran with my Mum,

But she fell and hurt her thumb,

She didn't think running was fun!

My Mum felt really flustered,

We sat down on the gutter,

And ate some bread and butter.

You might want to read this through with a grown up before you begin.
