Writing

There is a lot going on in this picture! Can you write some sentences about this picture that include a verb (doing word)?

E.g. *The mermaid is swimming in the sea.*

PE

This week have a go at making an obstacle course. What would it include? Would you have to jump over something or crawl under something? Draw your course once you have finished and test it out!

Make sure you have an adult to help you and monitor you.

PSHE/Wellbeing

Draw or photograph some flowers. How many different flowers can you find? How are they different? Which do you like best?
