TIER 2 COVID EXPECTATIONS

Dear Parents / Carers,

Today sees the start of Tier 2 COVID restrictions in Middlesbrough, as announced by the government earlier this week.

Please see below details that tell you what this means for our Viewley Hill community and that of the wider town.

TIER 2 COVID RULES

- You are not allowed to have people into your house that do not live with you.
- You are no longer allowed to visit anyone else's home.
- You can only go to a pub, restaurant, or any indoor setting with people you live with. You cannot socialise with anyone from another house at any indoor setting.
- Social distancing is still very important and must be in place.
- The 10pm curfew is still in place.
- You can meet up to 6 people outside e.g a private garden or public place such as a park

Whilst this may cause frustrations for some of you, it is vital we all stick to these rules in order to keep school and the community as safe as possible.

We understand that children like to play together outside school, but these rules do mean that they should not do so, or have sleepovers or parties in the coming weeks.

School Requests:

Please remember the requests we have already and continue to make as a school:

- Whilst we are not insisting, we do encourage all parents / carers to wear a mask whilst on site.
- We ask that only one parent / carer collects children from school, and that children stay close to adults at all times.

Since we returned to school in September we have worked incredibly hard to ensure we keep the children and staff as safe as we can at school, and also continually reviewed and improved how we keep you safe on site. The safety of everyone is, and will always remain, our highest priority.

Please follow the restrictions put in place in order to support the united effort in managing the COVID pandemic.

Best Wishes,

Mrs K Barkley
