Some of your lovely positive comments – thank you:

All staff are there because they care and want the best for our children.

My child has improved so much since he started and teachers are friendly and happy to help.

Communication is excellent and staff always make you feel welcome.

All the staff go above and beyond and any issues are dealt with quickly. There is a caring and welcoming environment and well supported learning.

My children are enjoying school very much and have learnt an awful lot this half term.

The school has taken a sensible and pragmatic approach to covid-19.

The transition for children returning to school following lockdown has been really well managed and I don't feel my child has suffered any detriment thanks to the care and support the school has given both children and parents.

Keep up the good job of keeping everyone safe, you are doing an amazing job – well done!

Some things you would like us to think about:

- More homework, particularly phonics and reading
- Working with the council to improve the safety outside school (broken bottles / pathways)
- Opening other access points to the school site at the beginning and end of day
