Some of your lovely positive comments – thank you:

The staff are always very friendly and welcoming, and happy to help.

My child will leave to start secondary next year and he will be leaving confident, happy and prepared for his next stage'

Communication is excellent and staff always make you feel welcome.

My child can find learning difficult and school have been amazing at helping them progress in the best way they can. They have been honest about what they are capable of and ways in which we can help at home too.

The school is very well organised and communication is very clear. Any issues are quickly resolved.

Behaviour is well managed.

The staff always put the safety of the children first.

Spotting my daughters ability and pushing her further already, rather than just what is required of her.

Viewley Hill is a lovely, welcoming school which I am proud to send my children to.

Some of the things you would like us to think about:

- *Introducing a range of after school clubs for the children to enjoy*
- *Being able to use a card, rather than cash, to pay for things in school*
- *Ensuring that media platforms we use are used are done so consistently across all the classes*
