In **Science**, we will be continuing our learning about animals and their habitats as well exploring food chains.

During **Geography**, we will be continuing our learning about the continents and oceans and investigating the continents in more detail.

As part of **PSHE**, we will discuss our rights and how to respect others

**Music** lessons will give opportunities for the children to listen to and appraise a range of music genres.

In **DT**, we will be exploring textiles and using them to make our own puppets.

**RE** lessons will focus on the holy celebrations of Easter and Eid-ul-fitr.

In **PE**, the children will be using their teamwork to take part in different games.

**Computing** lessons will look more closely at using a PC. We will be using the school computers to explore logging on and off and using different programmes.

### Reading at Home & Homework

Your child will continue bring home a reading book, a pleasure book and a reading record in their book bags. The reading book is for them to read to you and then please sign their reading record to say you have done so. We expect children to read at least 3 times per week at home. The pleasure book is for you to read, share and enjoy with your child.

We will also be sharing a Wider Curriculum piece of homework for the children to complete this half term. We can't wait to see what they create!

### Values and Behaviour

It is very important that we follow the Viewley Values. Everything we do is based around these to help our children to always be the best that we can be.

This includes wearing the correct uniform and shoes, saying 'please' and 'thank you' and being kind to everyone.

Please promote these at home too!

If you have any questions or concerns, please do not hesitate to ask one of us on the gate or telephone school and we will get back to you when we can.
