OUR SCHOOL DAY

Morning Pre-school: 8.30 till 11.20

Afternoon Pre-school: 12.15 till 3.05

A Day in Pre-school

Each day we start our session by finding a picture of ourselves to put on the bus. We then get busy with choosing time and we have lots of activities we can do. This may include painting, sand, water, small world or playdough.

Before we go outside we have a circle time activity, which we love! It helps us with our speaking and listening. Once we are outside we practise our running, jumping, climbing and balancing.

When we come back inside we have a story before snack. It is then time for more choosing before we tidy up and get ready for home time.

We are busy, busy, busy!

Story Time

Reading and sharing stories can:

- help your child get to know sounds, words and language, and develop early literacy skills
- learn to value books and stories
- spark your child's imagination and stimulate curiosity
- help develop your child's brain, ability to focus, concentration, social skills and communication skills
- help your child learn the difference between 'real' and 'make-believe'

Outdoor Play

As the term progresses the weather will slowly change and get colder. As we love to play outside, no matter what the weather, please provide your child with a warm coat, hat and suitable shoes/wellies.

If you have any questions or concerns, please do not hesitate to ask one of us on the gate or email / telephone school and we will get back to you as we can.

Values and Behaviour

The children will be learning their new routines and developing relationships with their peers and the Pre-school staff.
