OUR LEARNING THIS HALF TERM

In **English**, the children will be revising grammar and punctuation and applying this in letter writing and narrative. They will also be practising retrieval skills in their reading lessons.

Our **Science** this half term focusses on the topic of electricity while in **computing** the children will be learning about networks.

In **Geography**, we will study Europe and some important features of the continent.

RE this term will be why Jesus is inspiring to some people.

Our **Art** this term is focussing on landscape drawing, taking our inspiration from local artist Lucy Pittaway.

OUR VALUES

Our school values are very important, and they are non-negotiable within our school community.

This half term we are focusing on ensuring they are followed during learning and social times. The children have made a great start, and we are sure this strength of our school will continue this year.
